

ICM 2026 KUCHING – SARAWAK

INTERNATIONAL CONFERENCE ON MICROELECTRONICS

CALL FOR TUTORIAL

INTERNATIONAL CONFERENCE ON MICROELECTRONICS

The Organizing Committee of the 38th IEEE International Conference on Microelectronics (ICM 2026) invites **Tutorial Proposals** for the conference, to be held in the **Borneo Cultures Museum, Kuching, Sarawak, Malaysia**, from **December 7th to 10th, 2026**.

These tutorials are intended to enhance the regular program by addressing emerging topics of significant interest to the ICM community. Tutorials should provide in-depth coverage of emerging topics, offering a comprehensive overview and insights into the latest advancements for both researchers and practitioners.

Submission Guidelines for Tutorials:

- Tutorial title
- Indicate short (1.5 hour) session or half-day (3 hours) session
- A 250-word abstract
- Names, affiliations, pictures, short bios, contact details and expertise of presenters within the proposal's subject area

All proposals
must be
submitted
online from
Google
Forms (QR
Code).
